

The End of Nowhere

2023 Little Faith

The Vineyard

Our 2023 Little Faith blends Chenin Blanc, Chardonnay, Pinot Gris, and Orange Muscat. From several vineyards, this blend combines our favorite elements of Clarksburg, Lodi, and the foothills.

Tasting Note

In 2023 our signature white blend is a lightly golden wine that exudes the excited, joyful energy of springtime. Coming in at just 11.1% ABV, it's got a lot happening on the nose with wild floral aromatics and hints of fresh lemon, barely ripe green pear, and golden apples. The palate turns up the volume on citrus flavors alongside fresh green herbs like thyme, rosemary, and tarragon before refreshing tannins add a textural punch. It's a fantastic daytime wine, and really sings with blue cheeses, roasted salmon, and anything spicy.

Fast Facts

Grape Variety: Chenin Blanc (35%), Chardonnay (25%), Pinot Gris (25%),
